In a digital age overflowing with confusing and ever-changing information, musicians need trusted business advice from a veteran artist who can break down the basics in a language they understand. In his book, frequent Music Connection contributor Bobby Blyg symphonies, in a conversational tone, the vital areas of an entrepreneur's need to succeed. Simply put, *Business Basics for Musicians* (hard cover \$29.95) is the musician's guide to the music industry, written by a professional musician for other musicians. It's a going away volume of the book, and the authors will be graciously donating the book to the needy.
